Research fund 2023 PRINT PREVIEW

Section 1: Basic information about you and your application

Title of research project *(Required)*

Grant type *(Required)*

Select

Research area *(Required)*

Select

Duration *(Required)*

Start date *(Required)*

dd/mm/yyyy

Your name *(Required)*

Your email address *(Required)*

Profession *(Required)*

Select

Your current job title/position *(Required)*

Name of employer *(Required)*

Are you an early-career researcher (ECR)? *(Required)*

Select

(definition of ECR)

Name of supervisor(s)

Paragraph

Name of collaborators *(Required)*

Paragraph

Upload CVs

Drop files here or
Select files

Max. file size: 50 MB.

Are you a startup?

- ○ No
- ◉ Yes

Have you incorporated your company?

- ○ No
- ○ Yes

Upload your latest deck

Choose file No file chosen

Max. file size: 50 MB.

Upload your latest deck to include:

- Your technology (backed by scientific data), its advantages and how it is going to benefit patients and society
- Your business model, market analysis, roadmap and financial projections
- Your team's profile
- Why we should invest in your company
- Expectation of equity dilution

Section 2: Lay summary

The language used in this section should be understood by a GCSE/A-Level student. To include:

- What problem are you trying to solve?
- What is the estimated incident of this problem in the UK and worldwide?
- What is your ambition and how will you research make an impact on people with MSK conditions?
- How will you involve people with MSK conditions in your research?

Lay summary *(Required)*

Paragraph

Max: 450 words

Section 3: Purpose of research

Purpose of research *(Required)*

Paragraph

Max: 300 words

Please indicate research aims, objectives and deliverables.

Section 4: Background to investigation

Background to investigation *(Required)*

Paragraph

Max: 1000 words

Please provide a brief literature review, personal track record and preliminary data obtained by the applicant(s) related to the topic of interest.

Upload images

Drop files here or
Select files

Max. file size: 50 MB.

Section 5: Plan of investigation

Plan of investigation

Paragraph

Max: 1000 words

Materials & Methods: a detailed technical step by step research plan according to linked work packages. Please state possible opportunities and risks for clinical adoption and commercial exploitation. Please avoid naming all the materials and equipment and only focus on the core ideas and methodologies. A detailed Gantt chart must be uploaded as an image to the end of this section.

Upload images

Drop files here or
Select files

Max. file size: 50 MB.

Section 6: Research environment and resources

Research environment and resources *(Required)*

Paragraph

Max: 450 words

Please state your research clinical/technical support, laboratory space, equipment and any other additional fundings for this project.

Section 7: Research impact

ORUK strategy

Who will benefit from this research? *(Required)*

Paragraph

Max: 150 words

How can your research be translated in real-life? *(Required)*

Paragraph

Max: 150 words

How will your research be beneficial for ORUK and its purpose? *(Required)*

Paragraph

Max: 150 words

Section 8: Outreach and engagement

Outreach and engagement *(Required)*

Max: 450 words

Please provide a brief plan as to how you're going to communicate your findings with the non-academic public

Section 9: Research budget

Please provide the full cost breakdown of your research project. Please note that ORUK will not accept increasing its contribution after the project is selected for funding. ORUK also does not pay toward overheads / full economic costing (FEC).

Requested funding from ORUK

University fees (if any) *(Required)*

Salary *(Required)*

Consumables *(Required)*

Publications *(Required)*

Conference attendance *(Required)*

Are there any other items? *(Required)*

- ○ No
- ◉ Yes

Other items - please specify

Other items (amount)

Total 'requested fund from ORUK' *(Required)*

£ 0.00

Other secured funds

Internal funding *(Required)*

Partner (University) *(Required)*

Partner (Commercial) *(Required)*

Partner (Charity) *(Required)*

Other sources *(Required)*

Total 'other funds' *(Required)*

£ 0.00

Section 10: Intellectual property and testing on animals

Is there an IP linked to this research? *(Required)*

- ◉ Yes
- ○ No

Who owns and maintains this patent?

Paragraph

Does your research include procedures to be carried out on animals in the UK under the Animals (Scientific Procedures) Act? *(Required)*

- ◉ Yes
- ○ No

Have necessary approvals been given by The Home office (in relation to personal, project and establishment licences)?

- ○ Yes
- ○ No

Have necessary approvals been given by Animal Welfare and Ethical Review Body?

- ○ Yes
- ○ No
- ○ Not requried

Does your research involve the use of animals or animal tissue outside the UK? *(Required)*

- ○ Yes
- ○ No

Does the proposed research involve a protected species?

- ○ Yes
- ○ No

Does the proposed research involve genetically modified animals?

- ○ Yes
- ○ No

Include details of sample size calculations and statistical advice sought.

Paragraph

Please use the ARRIVE guidelines when designing and describing your experiments.

There should be sufficient information to allow for a robust review of any applications involving animals. Further guidance is available from the National Centre for the Replacement, Refinement and Reduction of Animals in Research (NC3Rs), including an online experimental design assistant to guide researchers through the design of animal experiments.

Please provide details of any moderate or severe procedures

Paragraph

Max: 150 words

Why is animal use necessary, are there any other possible approaches?

Paragraph

Max: 150 words

Section 11: External experts

You are encouraged to suggest up to 5 external experts in your field, who are not linked to your application and/or organisation. ORUK do not guarantee that these individuals will be invited to review your application.

External expert 1 name | **External expert 1 email**
