BASS/BSS/ORUK Spine Research Fellowship 2024 PRINT PREVIEW

Section 1: Basic information about you and your application

Research title *(Required)*

Duration (months) *(Required)*

Start date *(Required)*

dd/mm/yyyy

Have you previously received funding from:

☐ Orthopaedic Research UK
☐ The British Scoliosis Society (BSS)
☐ The British Association of Spinal Surgeons (BASS)

Your name *(Required)*

Your email address *(Required)*

Profession *(Required)*

Select

Your current job title/position *(Required)*

Name of employer *(Required)*

Are you an early-career researcher (ECR)? *(Required)*

Select

([definition of ECR](#))

Name of supervisor(s)

Paragraph B I

Georgia 12pt

Max: 450 words

Section 3: Purpose of research

Purpose of research *(Required)*

File Edit View Insert Format Tools Table

Paragraph B I

Georgia 12pt

Max: 300 words

Please indicate research aims, objectives and deliverables.

Section 4: Background to investigation

Background to investigation *(Required)*

File Edit View Insert Format Tools Table

Paragraph B I

Georgia 12pt

Max: 1000 words

Please provide a brief literature review, personal track record and preliminary data obtained by the applicant(s) related to the topic of interest.

Max: 150 words

Section 8: Outreach and engagement

Outreach and engagement *(Required)*

Max: 450 words

Please provide a brief plan as to how you're going to communicate your findings with the non-academic public

Section 9: Research budget

Please provide the full cost breakdown of your research project. Please note that ORUK, The British Scoliosis Society (BSS), and The British Association of Spinal Surgeons (BASS) will not accept increasing their contributions after the project is selected for funding. We also does not pay toward overheads / full economic costing (FEC).

Requested funding from Orthopaedic Research UK, The British Scoliosis Society (BSS), and The British Association of Spinal Surgeons (BASS)

University fees (if any) *(Required)*

Salary *(Required)*

Consumables *(Required)*

Publications *(Required)*

Conference attendance *(Required)*

Are there any other items? *(Required)*

○ No
○ Yes

Total 'requested fund' *(Required)*

£ 0.00

Other secured funds

Internal funding *(Required)*

Partner (University) *(Required)*

Partner (Commercial) *(Required)*

Partner (Charity) *(Required)*

Other sources *(Required)*

Total 'other funds' *(Required)*

£ 0.00

List all the 'other sources' and explain how their funds are used to cover the costs of your research.

Section 10: Intellectual property and testing on animals

Is there an IP linked to this research? *(Required)*

○ Yes
○ No

Does your research include procedures to be carried out on animals in the UK under the Animals (Scientific Procedures) Act? *(Required)*

○ Yes
○ No

Does your research involve the use of animals or animal tissue outside the UK? *(Required)*

○ Yes
○ No

There should be sufficient information to allow for a robust review of any applications involving animals. Further guidance is available from the National Centre for the Replacement, Refinement and Reduction of Animals in Research (NC3Rs), including an online experimental design assistant to guide researchers through the design of animal experiments.

Section 11: External experts

You are encouraged to suggest up to 5 external experts in your field, who are not linked to your application and/or organisation. ORUK does not guarantee that these individuals will be invited to review your application.
