BASK/ORUK Research Fellowship 2024 PRINT PREVIEW

About the applicant

Email *(Required)*

Name *(Required)*

First Last

Your job title *(Required)*

Place of work where the research will take place?* *(Required)*

Profession *(Required)*

- ○ Academic scientist
- ○ Orthopaedic surgeon
- ○ Physiotherapist
- ○ Nurse
- ○ Other AHP

Duration of project (months) *(Required)*

Start date *(Required)*

mm/dd/yyyy

Is there an external research partner? (if yes, please specify *(Required)*

- ○ Yes
- ○ No

Have you previously received funding from BASK or ORUK?

- ○ Yes
- ○ No

Name of main research supervisor *(Required)*

Names of other research collaborators and investigators involved *(Required)*

IMPORTANT

☐ I accept

The applicants must share the ORUK Standard Research Agreement with their respective University /Trust's Research Contracts Department and agree in principle with our Standard Research Agreement terms and conditions. Contracts are signed once the awards are approved by BASK/ORUK. We reserve the right to reject applications that do not adhere to the terms of our contract. We do not sign the contract with individuals. You are only allowed to submit one application. By submitting your application, you confirm that you agree to ORUK's privacy policy.

Section 1: Purpose of research

Research title *(Required)*

Research activity area (Select all options that apply) *(Required)*

- ☐ Underpinning
- ☐ Aetiology
- ☐ Prevention
- ☐ Detection and Diagnosis
- ☐ Treatment Development
- ☐ Treatment Evaluation
- ☐ Disease Management
- ☐ Health Services

Research activity areas follow definitions provided in UKCRC Health Research Analysis 2022.

Purpose of research (up to 300 words) *(Required)*

Max: 300 words

Please indicate research aims, objectives and deliverables.

Section 2: Background to investigation

Background to investigation (up to 1000 words) *(Required)*

Max: 1000 words

Please provide a brief literature review, personal track record and preliminary data obtained by the applicant(s)related to the topic of interest.

Accompanying images

Drop files here or

Select files

Max. file size: 50 MB, Max. files: 4.

Section 3: Plan of investigation

Plan of investigation (up to 1000 words) *(Required)*

Max: 1000 words

Materials & Methods: a detailed technical step by step research plan according to linked work packages. Please avoid naming all the materials and equipment and only focus on the core ideas and methodologies. A detailed Gantt chart must be uploaded as an image at the end of this section.

Gantt chart, if applicable

Choose file No file chosen

Max. file size: 50 MB.

Section 4: Research environment and resources

Research environment and resources (up to 450 words)

Max: 450 words

Please state your research clinical/technical support, laboratory space, equipment and any other additional fundings for this project.

Section 5: Research impact

Who will benefit from this research? (150 words) *(Required)*

Max: 150 words

How can your research be translated in real-life? (150 words) *(Required)*

Max: 150 words

How will your research represent the aims and objectives of ORUK and BASK? (150 words) *(Required)*

Max: 150 words

Section 6: Outreach and engagement

Outreach and engagement (up to 450 words) *(Required)*

Max: 450 words

Please provide a brief plan as to how you're going to communicate your findings with the non-academic public.

Section 7: Layman summary

The language used in this section should be understandable by a GCSE/A-level student.

What problem are you trying to solve and why have you chosen this field? (150 words) *(Required)*

Max: 150 words

What is the estimated incidence of this problem in the UK and worldwide? (150 words) *(Required)*

Max: 150 words

What is your ambition and how will your research make an impact on people with MSK conditions (150 words) *(Required)*

Max: 150 words

Section 8: Research budget, IP and testing on animals

Please provide the full cost breakdown of your research project.

Please note that BASK/ORUK will not accept increasing their joint contribution after the project is selected for funding. The funders also do not pay toward overheads /full economic costing (FEC).

Requested funding from BASK/ORUK (max £60k)

University fees *(Required)*

Salary *(Required)*

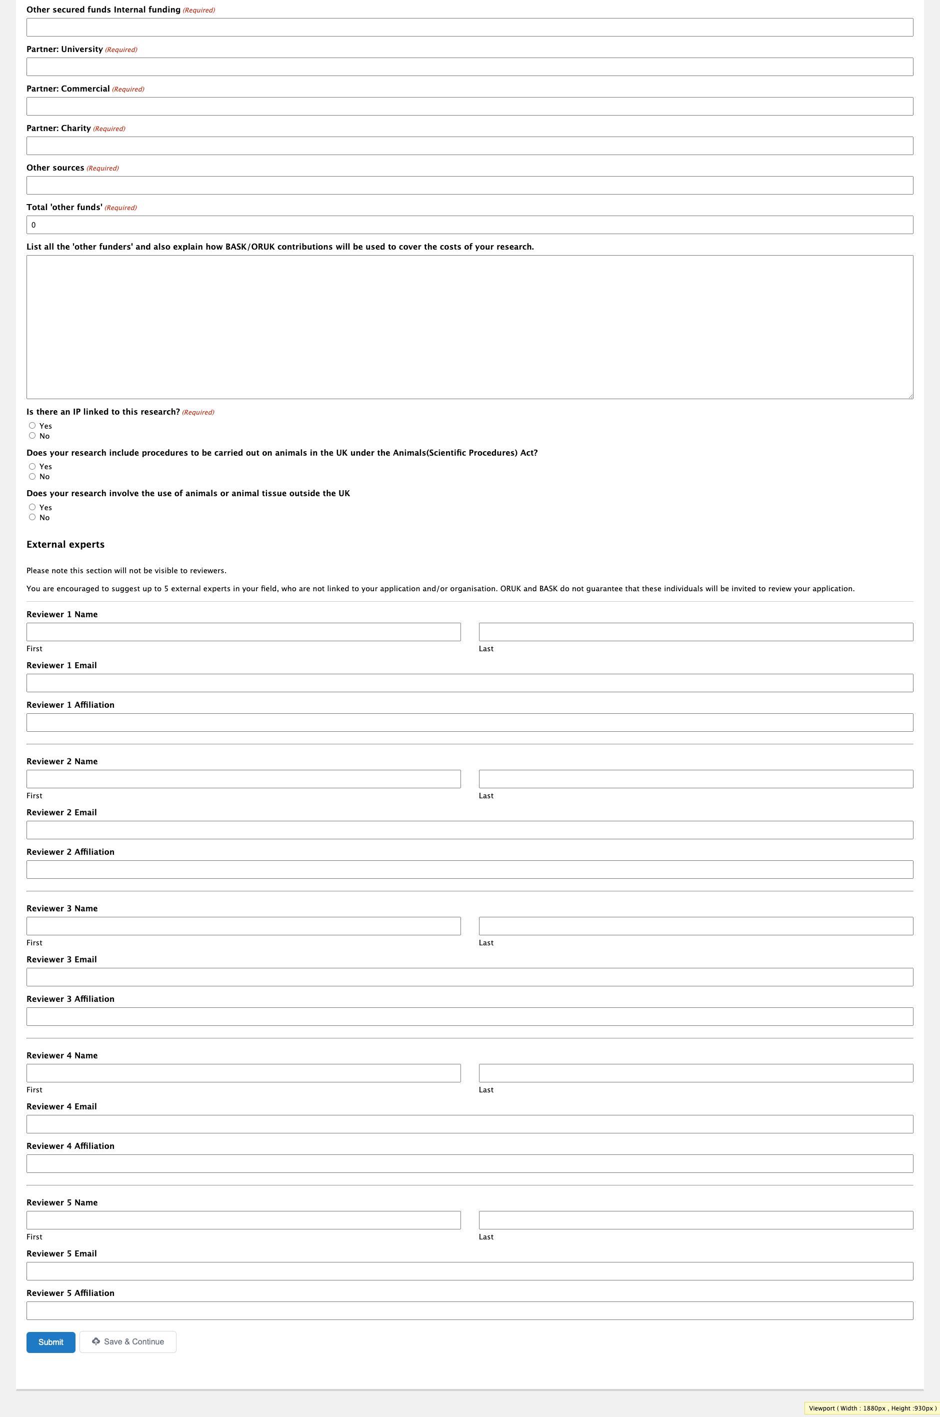
Consumables *(Required)*

Publications *(Required)*

Conference attendance *(Required)*

Total 'requested fund' *(Required)*

£ 0.00



Other secured funds Internal funding *(Required)*

Partner: University *(Required)*

Partner: Commercial *(Required)*

Partner: Charity *(Required)*

Other sources *(Required)*

Total 'other funds' *(Required)*

0

List all the 'other funders' and also explain how BASK/ORUK contributions will be used to cover the costs of your research.

Is there an IP linked to this research? *(Required)*

○ Yes
○ No

Does your research include procedures to be carried out on animals in the UK under the Animals(Scientific Procedures) Act?

○ Yes
○ No

Does your research involve the use of animals or animal tissue outside the UK

○ Yes
○ No

External experts

Please note this section will not be visible to reviewers.

You are encouraged to suggest up to 5 external experts in your field, who are not linked to your application and/or organisation. ORUK and BASK do not guarantee that these individuals will be invited to review your application.
