

# Orthopaedic X-Ray Interpretation Course

**Date:** Saturday 20 August 2022  
**Location:** Virtual  
**CPD:** 5.5 credits (applied for)

# Orthopaedic X-Ray Interpretation Course

**Saturday 20 August 2022**

**Virtual**

## Course convenor:

**Mr Firas Arnaout**

Consultant Orthopaedic Surgeon,  
Practice Plus Group Hospital, Shepton Mallet

## Educational aims and objectives

This course is organised jointly by Orthopaedic Research UK and Orthopaedic Academy.

This meeting will provide participants with an understanding of normal and pathological appearance in orthopaedic radiology in adult and paediatric cases.

By the end of the course participants should be able to describe key radiographic measurements for the upper limb, lower limb and the spine, and how to link these with orthopaedic decision-making. There will also be the opportunity for case discussions with an expert panel.

## Registration fees

**Registration** ..... £100

Register here: [www.oruk.org/upcoming-events/orthopaedic-x-ray-interpretation-course](http://www.oruk.org/upcoming-events/orthopaedic-x-ray-interpretation-course)
