Time: 10:00 - 15:45 BST

Online Spine Orthopaedic FRCS (Tr & Orth) revision course

 Date: 25 September and 2

October 2022

 Venue: Virtual

Course convenors:

Mr Farhaan Altaf,
Consultant Orthopaedic Surgeon,
[Royal Perth Hospital](#)

Mr Hanny Anwar,
Consultant Orthopaedic Surgeon
[Royal National Orthopaedic Hospital](#)

Overview

Aimed at candidates preparing for the FRCS (Tr & Orth) examinations, and trainees who are in their earlier years of training. This course is also suitable for consultant orthopaedic surgeons and physiotherapists in practice who wish to refresh and further their knowledge in management of pathologies of the Spine, whilst gaining CPD points.

Up-to-date, interactive, and evidence-based with reference to key papers from experienced clinicians, on this course you will discover the key important concepts to really understand the subject and tackle vivas and MCQs with confidence.

Key features include:

- Quality pre reading material in advance, to revise and to test your knowledge

- Interactive Q and A session

- “Hot seat” vivas, with feedback on knowledge and technique

- Access to all recordings for 12 weeks in case you miss a session

Registration fee

Fee:£250.00
