[University Hospitals Sussex NHS Foundation Trust](#)

Educational aims and objectives

This one day course is designed for foundation trainees with an interest in orthopaedics, core surgical trainees, acute care common stem emergency medicine trainees and accident and emergency nurses.

- Develop a basic understanding of the principles of casting
- Acquire tips and tricks to make the casting process easier
- Learn specific casts for common fracture patterns (distal radius, midshaft forearm, ankle & midshaft tibia/fibula)
- Learn specialised casts such as hanging casts, sugar tong casts & thumb spicas
- Fulfil requirement for trauma & orthopaedics ST3 application
