Educational aims and objectives

Join a comprehensive revision course meticulously designed for candidates gearing up for the FRCS Tr and Orth exams. It includes clinical mock viva sessions, intermediate and short cases.

- **Tips and tricks:** Benefit from valuable insights and strategies shared by seasoned professionals to enhance your exam-taking approach.
- **Hot seat viva for paediatrics/spine:** Engage in interactive and dynamic hot seat viva sessions specifically tailored for paediatrics and spine topics, simulating the exam environment.
- **Mock viva sessions:** Participate in mock viva sessions designed to closely emulate the actual exam scenarios, allowing you to refine your responses and build confidence.
- **Clinical cases:** Explore a range of clinical cases with patients, delving into the practical application of knowledge and problem-solving skills essential for the FRCS Orth exams.
- **Expert faculty:** Learn from FRCS Orth Examiners and a team of experienced faculty members who bring a wealth of knowledge and expertise to guide you through the intricacies of the examination process.
