Educational aims and objectives

This course is designed for candidates
applying for trauma & orthopaedics ST3 posts
in the coming year.

Applicants will have the opportunity to
complete 2 x mock interview circuits, under
exam conditions with faculty feedback. The
lecture programme will provide a whizzthrough
of the interview process and teach strategies
for doing well at each station. Candidates
will be assigned into groups and will rotate
between the interview stations.

What delegates said about this course in 2022

"Good and honest feedback from the faculty, I identified areas that I need to work on
and I feel

more confident going forward"

"Excellent in every way"

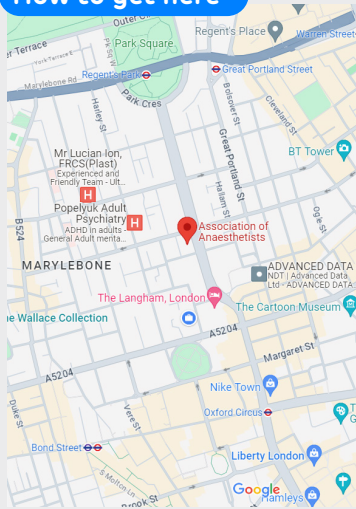

"Great faculty to aid learning"
