

Orthopaedic Evaluation of X-Rays (Radiographs) Course

Date: Friday 19 July 2024
Location: The Gordon Museum of Pathology, London
CPD: 7 CPD

Orthopaedic Evaluation of X-Rays (Radiographs)

 Friday 19 July 2024
 The Gordon Museum of Pathology, London

Course convenor:

Mr Paul Williams
Consultant Orthopaedic Surgeon,
HMT Sancta Maria Hospital, Swansea

Mr Joseph Bektor, ST8, RJAH

Educational aims and objectives

Delivered by consultants and registrars in T&O, this 1 day course aims to provide those involved in the care of trauma patients presenting with fractures with the necessary knowledge to evaluate trauma radiographs and to minimize missed diagnoses.

The course will discuss commonly missed symptoms and signs, as well as offer strategies for the interpretation of different radiographs. The day will consist of case-base discussions in the form of interactive lectures and small group teaching.

Aimed at: foundation doctors, core surgical trainees, speciality trainees in T & O (st3 -st6), A and E trainees, GP trainees, nurse practitioners

Registration fees

Registration£99
