## Modern hip resurfacing: Technique, innovation and global perspectives

Date: 3 October 2025

Venue: The Berkeley Hotel, London

CPD: 6 credits (applied for)

# Modern hip resurfacing: Technique, innovation and global perspectives

 Friday 3 October 2025

 The Berkeley Hotel, London

## Course convenors:

### Professor Justin Cobb

Consultant Orthopaedic Surgeon,  
[Cleveland Clinic London](#)

### Mr Panagiotis Gikas

Consultant Trauma and Orthopaedic Surgeon,  
[Cleveland Clinic London](#)

### Mr Amir Ardakani

Senior Orthopaedic Trainee,  
[Cleveland Clinic London](#)

## Educational aims and objectives

A one-day event exploring the resurgence of hip resurfacing in modern practice. The programme features expert-led lectures, debates, and case discussions on implant innovations, surgical techniques, and outcomes, with a spotlight on the anterior approach and its role in enhancing recovery and reproducibility.

Aimed at orthopaedic consultants, trainees, and physiotherapists, the conference brings together leading national and international faculty to shape the future of hip reconstruction.

## \*Registration fees

**Early bird Consultant:** £90

**Early bird Trainee:** £80

**Early-bird Allied Health Professional:** £70  
(Includes physiotherapists)

**Company representative:** £250

\*Early-bird fee expires on 3 September.
