

# Early intervention in hip surgery

**Date: 24 April 2026**

**Venue: Royal Society of Medicine,  
London**

**CPD: 6 credits (applied for)**

# Early intervention in hip surgery

 24 April 2026  
 Location: Royal Society of  
Medicine, London

## Educational aims and objectives

This one-day event aims to review the concepts of early injury to the hip joint caused by morphological abnormalities and describe the development of surgical interventions to address them. It will provide participants with a comprehensive understanding of the clinical presentations, investigation, and management through a series of lectures and video case presentations.

### Who should attend?

Consultants and physiotherapists involved in the care of such patients as well as trainees needing exposure to this area of hip surgery for core training purposes and postgraduate exams.

## Meeting convenors:

**Mr Ajay Malviya**  
Consultant Orthopaedic Surgeon  
[Northumbria Healthcare NHS Foundation Trust](#)

**Mr Jonathan Hutt**  
Consultant Hip Surgeon  
[University College London Hospital NHS Foundation Trust](#)

**Mr Johan Witt**  
Consultant Orthopaedic Surgeon  
[University College London Hospital NHS Foundation Trust](#)

## Registration fees

**Consultant:**.....£150  
**Trainee:** .....£125  
**Allied Health Professional:** .....£99  
**Industry representative:** .....£250
